Patent No. : 7,096,450
Inventor(s) : Gill et al.
Issued : August 22, 2006
Title : ENHANCEMENT OF PERFORMANCE OF A CONDUCTIVE WIRE IN
MULTILAYERED SUBSTRATE
Doc./File No. : BUR920020117US1

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent.

Review of applicants' request to change data from what appears at column 6, line 64 is not warranted entry as the information presented in applicants request in connection with the deletion of "W1>W2" could not be found at the corresponding column and line number.

In view of the forgoing applicants' request in this matter is hereby denied. However, a certificate of correction will issue to correct the remaining errors noted. Any Telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 305-8740.

Further correspondence concerning this matter should be directed to the certificate of correction Branch.

A. Green
